Pisa, 5 November 2019 – Domus Comeliana

Pitch your needs of your own pilot & we'll train you!

Pisa, Italy, 5/11/2019

The workshop will present the CYBERWISER.eu online integrated platform for organisation, SMEs and public administration to train their staff with a simulated environment of cyber incidents and attacks where IT professionals can hone and evolve their skills, continuously evaluating their performance as they prepare for future real attack episodes.
